Disclaimer: By registering, the participant declares that he or she does not suffer from any health problems that would make participation appear to be medically inadvisable or dangerous to health. Eligibility to participate is not transferable to third parties. The organizer is entitled to make changes to the event or cancel the event in cases of force majeure or due to official orders or for security reasons. In these cases, the organizer has no obligation to pay damages to the athlete. The organizer is generally only liable in cases of intent and gross negligence. The organizer is also liable for negligent breaches of obligations if this results in injury to life, body or health or if a guarantee or claims under the Product Liability Act are affected. The organizer is also liable for the negligent breach of obligations, the fulfillment of which is essential for the proper execution of the contract, the breach of which endangers the achievement of the purpose of the contract and the compliance with which the athlete regularly relies. In the latter case, however, the organizer is not liable for unforeseeable damage that is not typical for the contract. The above limitations of liability also apply to vicarious agents of the organizer and third parties that the organizer uses in connection with the implementation of the event.

Note on data protection: The personal data provided when registering will be stored and used for the purposes of conducting and managing the event and for media reporting purposes. By registering, the participant consents to the data being stored for this purpose. The participant is advised that the event is a sporting event in which there is a public interest and acknowledges that it is common practice for participant result lists to be published in the media. The participant agrees to the publication of his name, first name, year of birth, club and the pictures in which he is depicted in all reporting print media (list of participants, list of results, etc.) and in all electronic media such as the Internet.

In the event of non-attendance or cancellation of the event due to force majeure or cancellation of the event, there is no entitlement to a refund of the registration fee. The right to start only exists after receipt of the registration fee.
